Madrid – Puerta de Toledo  
Campus

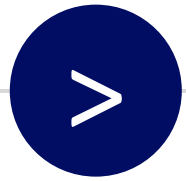

Leganes Campus

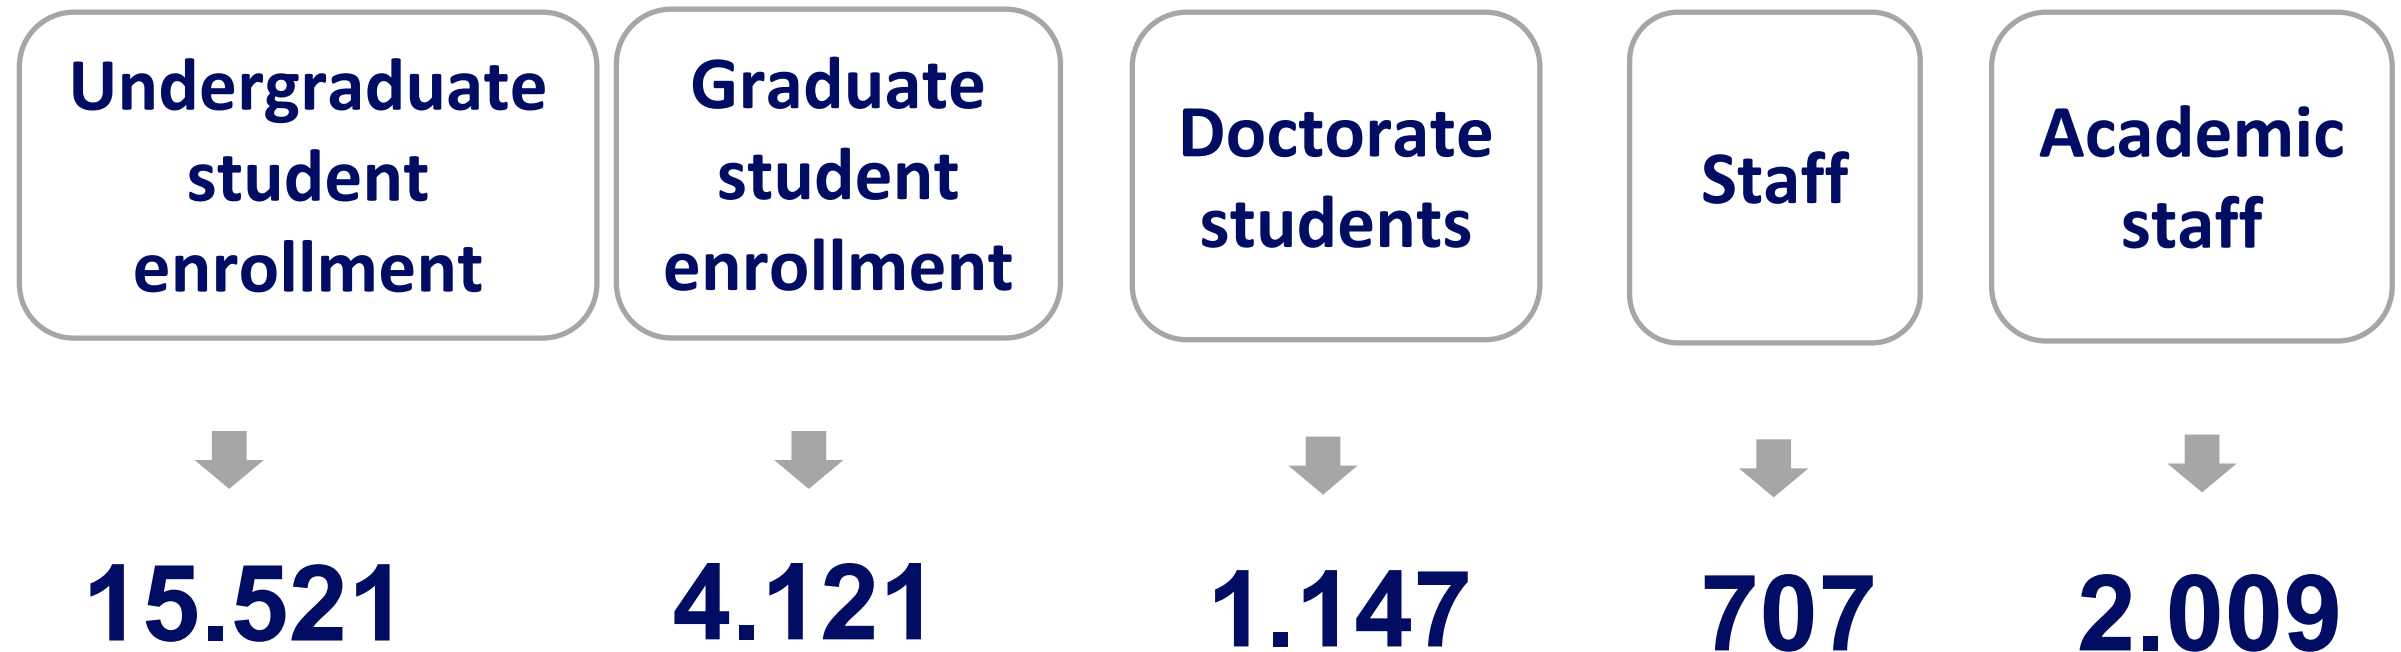

Getafe Campus

## Some figures

> Around 21.000 students, of which 20% international students

Source: 2017/18 <https://www.uc3m.es/luec>

# ACADEMIC PROGRAMS

- 72% of UC3M 's Bachelor Degrees can be pursued in English or in a bilingual modality.
- A large number of practical classes are conducted in laboratories, computer classrooms, stages, radio stations and courtrooms.
- Education is complemented with a comprehensive catalog of humanities courses and a broad programme of sports and cultural activities.

# GRADUATE SCHOOLS

- The University has four graduate schools and offers 91 Master's Programmes and 19 PhD programmes.
- 29% of the graduate programmes are bilingual or are offered in English.
- Most of Masters take place in the Madrid-Puerta de Toledo Campus, located in the centre of Madrid.

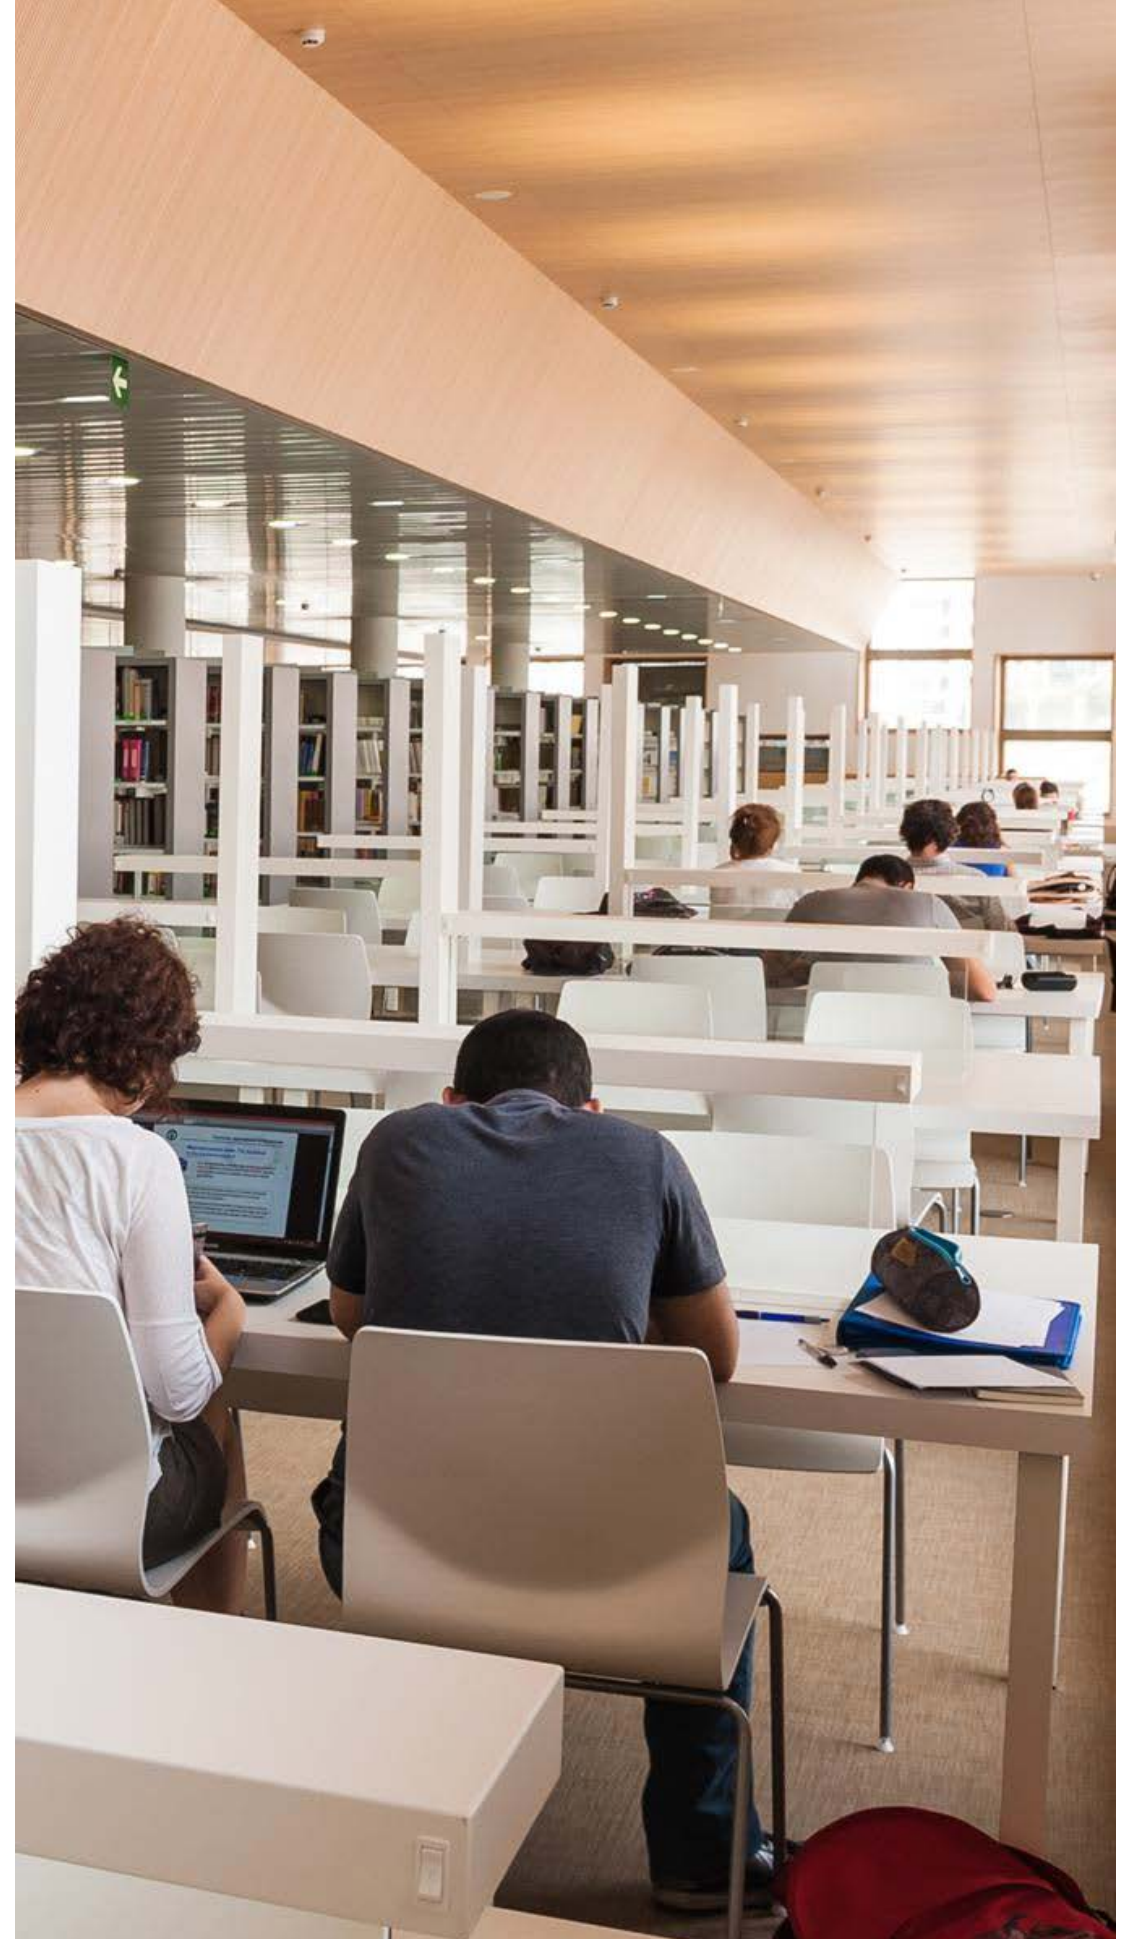

# FACILITIES

# LIBRARY

- Provides support to research activities, including open dissemination of our researchers' scientific results.
- Also supports the digital edition of scientific publications.
- Helps with the preparation of teaching materials for MOOCs and SPOCs.

- The University has three residence halls located in the Getafe and Leganés Campuses
- The Auditorium hosts an extensive, year round, cultural programme
- Sport centres with gym, spa, swimming pool and a wide range of activities

# RESEARCH

- International Excellence Campus awarded in 2009 by the Ministries of Science and Innovation and Education.
- 126 Research Groups and 27 Research Institutes.

Engineering

Humanities, Documentation and

Communication

Law

Economics

Socials Sciences

Mathematics and Physics

- Around 20 M€ external funds obtained from competitive funding calls and contracts with companies.

# INTERNATIONALIZATION

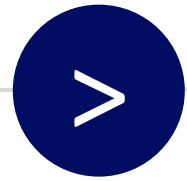

## International talent programmes at UC3M

- Chairs of Excellence: since 2008, 126 professors have visited different Departments in the University.

From universities like Stanford, Oxford, Singapore (SNU) or MIT, and from 23 countries.

- CONEX: 28 researchers from 15 countries have joined the Departments and Institutes of UC3M to develop 3- year research projects.

## International mobility

- > UC3M is **1<sup>st</sup>** university in Spain participating in Erasmus+
- > For the academic year 2019/20, UC3M offers around **2.624** positions to study abroad in European and non European countries

More than **1000**  
Agreements

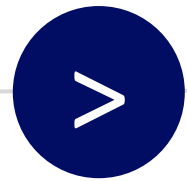

**483** universities in 29 European  
and 27 non European countries

- > UC3M receives around **1.800** exchange students every year (academic year 2017/18)

**935**  
Erasmus+

**816**  
out of EU

## Young Universities for the Future of Europe (YUFE)

- > UC3M is part of **YUFE**, a consortium of eight European universities that aims at bringing a radical change in European higher education by establishing itself as the leading model of a young, student-centred, non-elitist, open and inclusive European University.
- > YUFE was created as a consequence of the **European Universities Initiative** (EUI) launched by the **European Commission**, aiming to develop and implement the first models for a European University.

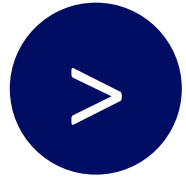

# Young Universities for the Future of Europe (YUFE)

# Staff Week Programme

## **Day 1. Wednesday 6<sup>th</sup> November**

13:30      ***Registration and Lunch***

14:30      ***Welcome***

Matilde Sánchez Fernández. Vice Rector for International Relations and Cooperation. Universidad Carlos III de Madrid

14.45      ***Keynote speech: Cultural change and European policies to promote Open Science in Universities***

Alea López de San Román. Policy Officer at the European Commission. Directorate for Research and Innovation. Open Science Unit

### ***Open science in YERUN Universities***

Silvia Gómez Recio. Secretary General. YERUN (Young Research University Network)

Monique Ritchie. YERUN co-chair of the Open Science Working Group. Scholarly Communications manager at Brunel University London

15:30 Coffee Break

16:00      ***Open Science at UC3M***

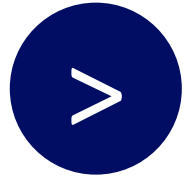

Belén Fernández del Pino – Responsible for Research Support of the UC3M-Library

16:30      ***Good practices in the Community of Madrid. Collaboration to strength Open Science alliances among Universities: the case of Madroño Consortium***

Rebeca Marín del Campo. E-archivo Repository manager. University Library. Universidad Carlos III de Madrid

17:30      ***Shuttle buses***

18:00 - 21:00 ***Mediterranean Cuisine. Workshop-Cusine***

# Staff Week Programme

## **Day 2. Thursday 7<sup>th</sup> November**

9:30 **Keynote speech: Implementing Open Science from the European Perspective.** Eva Méndez. Universidad Carlos III de Madrid. Chair of the European Open Science Policy Platform

10:15-10:45 **PANEL: Engagement in Open Science Experiences. Moderator: Eva Méndez.** Deputy Vice-president for Research Policies. Universidad Carlos III de Madrid / YERUN

**Open Science MicroMOOC:**

Gema Santos-Hermosa. Library of the Universitat Oberta de Catalunya

**Tor Vergata's Roadmap to Open Science**

- Paola Coppola. Library director of the University Library of Economics.
- Carla Montesano. Assistant Professor of General Pathology and Immunology
- Donatella Gavrilovich. Associate Professor of History of Theatre and Digital Technologies

10:45-11:15 Coffee break

11:15-12:00 **PRACTICAL SESSION: How to prepare an Escape Room in Open Science.** Katrine Sundsbo. Research Support. Library Services. University of Essex

12:00-13:30 **PANEL: Spaces and approaches for Citizen Science Moderator: Anxo Sánchez.** Professor of Mathematics. Universidad Carlos III de Madrid. UniOS

**The interest of science shops for universities: The case of UC3M-INAECU science shop**

Elias Sanz – Research Institute for Higher Education and Science (INAECU) Director. SciShops Project

**MarkerSpaceUC3M: a place to start Citizen Science**

Teresa Malo de Molina – Head of the Library. Universidad Carlos III de Madrid

**Citizen Science in Public Libraries: an experience within the Linguistics**

Nava Maroto. Linguistics applied to Science and Technology. Universidad Politécnica de Madrid

**GRECO: The power of Citizen Science for making engineering innovations**

Ana Belén Cristobal. Institut for Solar Energy. Universidad Politécnica de Madrid. GRECO Project

13:30-14:00 **Stop- UC3M Healthy University: stretching exercise**

14:00 Networking lunch

15:00-15:45 **Keynote speech: Plan S: the road ahead**

Johan Rooryck. Plan S Champion. Leiden University

15:45 – 16:30 **PANEL: What is the future of plan S**

**Moderator: Teresa Malo de Molina.** Head of the University Library. Universidad Carlos III de Madrid

Johan Rooryck. Plan S Champion. Leiden University

Monique Ritchie. Associate Head of Scholarly Communications and Rights. Brunel University London. Co-Chair Open Science WG YERUN

Lluís Anglada. Open Science Director. Consorci de Serveis Universitaris de Catalunya

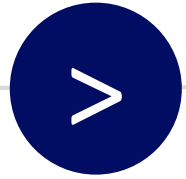

Agnès Ponsati. Spanish National Research Council (CSIC). Director. Scientific Information Resources for Research

16:30 **Visit to the University Library. UC3M**

17:30 **Shuttle buses**

18:00 - 20:00 **Cultural Tour: [Madrid Río Park](#) and [Matadero](#)**

# Staff Week Programme

## **Day 3. Friday 8<sup>th</sup> November**

9:30      ***Open mind workshop: Policies and practices to promote Open Science in Universities: Breakout session and discussion.*** Facilitators:

Belén Fernández del Pino. Responsible for Research Support. University Library. Universidad Carlos III de Madrid

Eva Méndez. Deputy Vice-president for Research Policies. Universidad Universidad Carlos III de Madrid / YERUN.

11:30      **Coffee Break**

12:00      ***Open mind workshop: Policies and practices to promote Open Science in Universities: Conclusions from the groups***

13:00      **Final Notes and Farewell**

Juan José Vaquero. Vice-president for Research Policies. Universidad Carlos III de Madrid.

Thank you
