A vintage television set is shown against a dark background. The screen displays a black and white image of two hands pressed against a vertical black bar, which is the central element of the 'Two Hands' logo. The television has a dark wood-grain or black finish, a speaker grille at the bottom, and several control knobs and buttons on the right side. The entire image is set within a white border.

A black and white photograph of three figures standing in front of a wall covered in graffiti. Each figure has a vintage television set for a head, with two antennae extending from the top. The figures are in dynamic, dance-like poses. The wall behind them is heavily textured and covered in various graffiti tags, including a large '50' on the left and a '25' on the right. The lighting is dramatic, with strong highlights and deep shadows.
